

## **Terms & Conditions**

By downloading or using the app, these terms will automatically apply to you – you should make sure therefore that you read them carefully before using the app. You are not allowed to copy or modify the app, any part of the app, or our trademarks in any way. You are not allowed to attempt to extract the source code of the app, and you also should not try to translate the app into other languages or make derivative versions. The app itself, and all the trademarks, copyright, database rights, and other intellectual property rights related to it, still belong to Focused Impressions.

Focused Impressions is committed to ensuring that the app is as useful and efficient as possible. For that reason, we reserve the right to make changes to the app or to charge for its services, at any time and for any reason. We will never charge you for the app or its services without making it very clear to you exactly what you are paying for.

The FocusPoint QuickScan app stores and processes personal data that you have provided to us, to provide our Service. It is your responsibility to keep your phone and access to the app secure.

Certain functions of the app will require the app to have an active internet connection. The connection can be Wi-Fi or provided by your mobile network provider, but Focused Impressions cannot take responsibility for the app not working at full functionality if you do not have access to Wi-Fi, and you don't have any of your data allowance left.

If you are using the app outside of an area with Wi-Fi, you should remember that the terms of the agreement with your mobile network provider will still apply. As a result, you may be charged by your mobile provider for the cost of data for the duration of the connection while accessing the app, or other third-party charges. In using the app, you are accepting responsibility for any such charges, including roaming data charges if you use the app outside of your home territory (i.e. region or country) without turning off data roaming. If you are not the bill payer for the device on which you're using the app, please be aware that we assume that you have received permission from the bill payer for using the app.

With respect to Focused Impressions' responsibility for your use of the app, when you are using the app, it's important to keep in mind that although we endeavor to ensure that it is updated and correct at all times, we do rely on third parties to provide information to us so that we can make it available to you. Focused Impressions accepts no liability for any loss, direct or indirect, you experience as a result of relying wholly on this functionality of the app.

At some point, we may wish to update the app. The app is currently available on iOS – the requirements for the system (and for any additional systems we decide to extend the availability of the app to) may change, and you will need to download the updates if you want to keep using the app. Focused Impressions does not promise that it will always update the app so that it is relevant to you and/or works with the iOS version that you have installed on your device. However, you promise to always accept updates to the application when offered to you, we may also wish to stop providing the app, and may terminate use of it at any time without giving notice of termination to you. Unless we tell you otherwise, upon any termination, (a) the rights and

licenses granted to you in these terms will end; (b) you must stop using the app, and (if needed) delete it from your device.
